Year C - The Epiphany of the Lord
Matthew 2: 1-12
Nativity Star

Introduction

The star showed the wise men where Jesus could be found. When they found him he was lying in a manger where the animals lived. But the wise men weren't fooled! They saw him and understood that Jesus was God's son, here to be with everyone!
Make this nativity star to remember the amazing sight the wise men saw!

You will need

- Copies of the star and baby Jesus template (This would be best printed on thicker paper or card. You might also like to print it onto coloured card if you like).
- craft glue.
- small sequins stickers or sequins.
- small pieces of straw/raffia/or brown string
- coloured pencils or felt pens
- scissors

Instructions

1. Have the children cut out the star and baby Jesus template, then colour the top section to be the star and the bottom section to be the base of the manger.
2. Decorate the top section with sequins and the bottom section with straw/raffia/string to create the manger.
3. Stick the baby Jesus cut out onto the manger section of the craft.
4. Display your star or attach some string to the top so that the star can by hung.
